

DRAWINGS:

A new set of drawings is enclosed to correct defects noted by Applicant. Reference character 78 has been removed from the drawings since there was no reference for it in the description and reference characters 72 and 102 have been added since they were described in the description but missing from the drawings. Also, the numbering and the contrast has been improved on the drawings.

REMARKS--General

The claims have been amended according to Examiner's instructions. A new set of drawings has been submitted since they correct minor mistakes and improve quality, no new matter has been added.

Applicant hopes that he has responded to the Office Action in an appropriate manner.

Very Respectfully,

A handwritten signature in cursive script, appearing to read "Jacques Fortin". The signature is written in dark ink and is positioned above the printed name.
